------------------------------------	-------------

Adarsh Vidyalaya ,Omerga	Percentage - 68%
--------------------------	-------------------------

PROJECTS

Grocery Shop Management System	Dec 2024 – Mar 2025
---------------------------------------	---------------------

- Developed a fully functional web-based system for managing inventory, orders, and invoice generation for grocery stores.
- Created a responsive and intuitive front-end using HTML, CSS, and JavaScript to enhance user experience.
- Created a user-friendly interface that improved navigation speed by 40% and increased user satisfaction based on feedback from initial testing sessions.
- Developed dynamic, performance-optimized features using JavaScript, significantly reducing page load and data retrieval times by up to 15%.

ACHIEVEMENTS

- Awarded the Scholarship by the Geeta Israni Foundation, Mumbai.
